

Operation 365 is a sponsorship program that helps CityYouth serve at-risk children in our community. For \$365 annually, you can provide nutritious meals and snacks, enrichment activities, academic assistance and, most importantly, spiritual character development.....all for just \$1 per day. By sponsoring a CityYouth student, you are giving him/her access to opportunities for a better future. Without programs like **Operation 365**, this would not be possible.

Will you be our next sponsor?
